CLIENT CLOSET

Assisting St. Patrick Center clients seeking employment

Over the years, St. Patrick Center has helped clients get dressed for their new jobs. As donations of gently used business attire came in, clients were offered a selection as they prepared for job interviews and the workforce. In 2005, with the help of a clothing donation from Boeing employees and racks donated from Dillard's, the St. Patrick Center effort was officially named "Suited for Success," now known as "Client Closet," and a designated room opened at the agency, complete with two dressing rooms.

Today, St. Patrick Center clients can choose from gently-used business, suits, dresses and shoes, as well as business casual clothing like khakis, button-down shirts and more. We are always seeking donations of these professional items. To donate, contact Katie Joseph at 314-802-1976 or kjoseph@stpatrickcenter.org.

St. Patrick Center thanks all Client Closet donors! We are glad that you can share the gifts you have been given with those in need. With your help, we place more than 500 clients into full and part-time jobs each year. And we assure you – they feel confident and ready to work when they head out the door to their jobs!
