

The BEGIN New Venture Center Shared Culinary Suite

The BEGIN New Venture Center is proud to announce the grand opening of the new state-of-the-art culinary suite: a licensed commercial kitchen equipped for catering, food preparation, and production of specialty food products. The 2,000 square-foot shared-use kitchen space, located on the 4th floor of the St. Patrick Center, resides in the heart of downtown St. Louis. This space allows start-up and emerging culinary-related companies the opportunity to operate out of a shared-use professional commercial kitchen facility. In addition, companies receive standard business support services through the BEGIN New Venture Center small business incubator.

Equipment currently includes:

- Combi Oven
- Six Top Range
- Commercial Griddle
- Tilt Steam Kettle
- 40 gal. Tilt Skillet
- 60 qt. Mixer
- Four Baker's depth convection ovens
- Warming Cabinets
- Warming Racks
- Reach-in Refrigerator Units
- Ice Machine
- Microwave Oven
- Increased Preparation and production areas
- Walk-in Refrigerator and Freezer
- Secure equipment and dry storage space
- Preparation and production areas
- Mobile stainless steel tables
- Rolling storage racks
- Three Compartment, Two Compartment, and Hand Sinks

The objective of the Culinary Suite is to facilitate the start-up, survival, growth and success rate of early-stage and emerging companies through the provision of focused assistance individualized to each business, as well as an array of onsite support services. For more information please call 314.802.0711.

The Culinary Suite at the BEGIN New Venture Center can help your business succeed!

THE BEGIN NEW VENTURE CENTER is a small business incubator committed to creating a diverse and dynamic environment where companies build upon their potential for positive personal and community outcomes consistent with business success. BEGIN is a program of St. Patrick Center.
